The popularity of carved wood signs is increasing daily. Now is your chance to start a new and very profitable business with a minimum investment.

Signs are needed everywhere, and carved wooden signs have an added appeal which makes them very easy to sell. Almost every business could use attractive signs and homes could use name and/or address signs. The added capability of carving 3-D motifs on the signs will increase their marketability and value. A wide variety of type styles is available, as well as different sizes in sets consisting of capitals, numerals, spacers and special characters.
